Albums

The premium Queensberry 'Feature' albums offer a range of cover options including photo front, leather, linen, silk and vinyl. View examples online at www.queensberry.com

Choose either:

Digital Albums (also known as 'flush mount', 'magazine' or 'coffee table' style)
Photos are permanently bonded to rigid pages giving a smooth, modern look.

Matted Albums
The traditional style of wedding album with photos displayed under classic beveled matts, with or without a border

12×12 inch album (larger sizes available)
Minimum of 20 sides @ \$ 130 per side \$ 2,600
+ cover options from \$ 250 (leather/photo-front available \$ 400)

Digital copy albums offer a smaller, convenient way to share your album with friends and work mates. They also make a great gift for parents. Digital copy albums are available from \$ 395 when ordered with Queensberry large format albums.

*All prices include GST and are subject to change, however your price is fixed at the time of booking.
* only available when wedding photography is booked with Nicola Inglis Photography*
